SERD | STUDIES IN EDUCATIONAL RESEARCH AND DEVELOPMENT

Vol. 4, Issue 1, June 2020

Editorial

We are pleased to share the first issue of volume 4 with our readers in June 2020. As the editorial team, we aim to make steady improvements on SERD since the first issue in 2017. Thus, we feel enchanted to declare that SERD has started being indexed in the ASOS index recently. We hope it will be getting indexed in some other academic databases as well very soon.

Within the days of the pandemic outbreak of COVID-19, unfortunately, many things in our daily life have been affected to some extent and the publication process of scientific research is not an exception for this extraordinary situation. Therefore, we would like to extend our special thanks to the authors and the referees helping us to publish this issue of SERD on time.

If you have any feedback about anything related to the format and/or content of SERD, as the editorial team, we would be more than happy to hear them.

We hope you will enjoy reading the articles.

Sincerely,

The Editorial Team
